"The capacity to learn is a gift ; The ability to learn is a skill ; The willingness to learn is a Choice"

ROOP VATIKA (A SEN. SEC.) SCHOOL Disposal Road, Jagraon.

Dear Parents and Students

I hope this message finds you all in good health and high spirits. As we continue to navigate through these challenging times, I want to remind you of the incredible learning experiences we offer here at GD Goenka Public School. Our school is more than just a building; it is a community of learners, teachers, and parents all working together to support the academic and personal growth of our children. We provide a safe, supportive and welcoming environment where every child feels valued and respected. Our dedicated teachers work tirelessly to provide high-quality education that is engaging, interactive, and prepares children for a successful future. Our curriculum is designed to equip children with the skills, knowledge and understanding they need to succeed in a rapidly changing world. We also recognize that education is not just about academic achievement but encompasses the whole child. Therefore, we provide a range of co-curricular activities, including sports, music, drama, and art, to give children the opportunity to explore and develop their talents. In conclusion, I want to emphasize that we are here for our children and parents, and we will continue to work together to ensure the best learning experiences possible. Thank you for your continued support, and let us continue to strive for excellence.

Best regards, Ms. Vimmi Thakur **PRINCIPAL** Roop Vatika School, Jagraon.
